

March 3, 2010

To all Parents of First Communicants:

Attached is information as well as order forms for the DVDs of our celebration of First Holy Communion scheduled for May 1st and 2nd. You may order a customized DVD that will include up to ten other pictures that you will provide (baptisms, special birthdays, and other events) and the cost for that is also included in this information.

Also attached is a flyer regarding photography. Please know that each family will receive a group photograph that will be taken at the end of each FHC mass as a gift from the parish. You may order additional prints by contacting the photographer AFTER FHC weekend and you can also arrange for individual portraits with the photographer in advance of the sacrament or she will be able to schedule some limited appointments here at the parish on the days of the mass. Please understand however that those available appointments will be limited as that will be a very busy time. You may contact the photographer (do not call the RE office for appointments) at the number shown on the flyer to make an appointment at her studio for an advanced portrait sitting or one of the limited appointments on the day of the mass.

God bless you.

Deacon Ron
