Think of one thing you read or heard about in this weekend's scripture or homily that you can share with others this week. Or, is there something you noticed different in Church? Share it and draw a picture here.

When we bring up the gifts and the priest offers them to God, we can offer ourselves, our lives, our problems and our joys to God. What gift or challenge can you offer to God this week during Mass or in your prayers?

Don't forget...
Bring your reflection to school the next class day to share with your classmates.

Practice your prayers!

God Loves You!
